**Road Report**

The Bonneville County Road & Bridge would like to inform the public that they do have snow removal equipment working today. They are having a hard time keeping the roads cleared due to the icy road conditions and the wind blowing the snow back into the roadways.

They also want to inform the public that the roads in the Bone area are closed until the wind quits. The snow machine trails in the Bone area will not be groomed either until the wind quits.

Please use caution while driving. Give yourself plenty of time to arrive at your destination. Slow down and leave plenty of following distance.

Sgt. Doug Metcalf  
Bonneville County Sheriff's Office
