A 36 year old Bonneville County man is in the Bonneville County Jail facing a 1st Degree Murder charge in the death of his 2 month old son.

At approximately 5:45 p.m. yesterday, 911 dispatchers received a call from 9667 N. Ranchwood of a baby not breathing. Bonneville County Sheriff's deputies and Idaho Falls ambulance personnel arrived approximately 5 minutes later and found Alexander Michael Meng unresponsive and not breathing. He was immediately transported to the hospital where he was declared deceased.

The baby's mother, Tonilia Meng, told deputies she had made the 911 call to dispatch when she returned home to find the baby unresponsive. The baby had been home with his father, Dylan H. Meng, and another 2 year old sibling while she was shopping.

Detectives from the Bonneville County Sheriff's Office were called in to interview witnesses. Their statements, accompanied with the physical evidence to the baby prompted the detectives to arrest Dylan and charge him with Murder in the 1st Degree as describe in Idaho Code 18-4003(d).

An autopsy is planned. The incident is still under investigation.

Thank you for your assistance in this matter.
