**Blackhawk Fire Update**

On 08-13-2008 the Bonneville County Sheriff's Office Detectives have completed their investigation into the Blackhawk Fire.

The detectives have determined that the fire will be ruled as an accident. From interviews of the people in the area it is believed that the fire started from parking a vehicle off of the roadway with a hot exhaust system.

The Sheriff's Office would like to remind people that the fields are very dry and to be cautious when parking or stopping off of the roadways.
