**Money Order Fraud**

The Bonneville County Sheriff's Office has taken two reports of a money order fraud involving the sale of dogs.

Both victims have been trying to sell dogs on the Internet. The victims received numerous money orders for the dogs and the shipping costs. The victims were informed to send the extra money for the shipping costs to an address in Texas. A company would then come and pick up the dogs.

All of the money orders have been forgeries for a total around \$9400.00. The money orders have been from Albertson's and Wal Mart.

If you receive a money order for a purchase and are requested to send money back or to another location please check the money out with the company the money order is from for a forgery before cashing them.
