Tree falls on local home killing one occupant.

At 0023 on August 21, 2011 Bonneville County Deputies and the Idaho Falls Fire Department were sent to 3143 Pioneer Lane for a male who was trapped inside his home by a fallen tree. His wife, Lu Juanna Carney, was able to escape the house and summon help.

Upon arriving rescuers found a large tree on top of the house and Louis Carney an 82 year old male was found in his bedroom pinned under the tree. Louis had no signs of life and his body could not be easily removed from the structure.

At the time of this news release elements of the Idaho Falls Fire department are still working to free Louis' body from the debris.

The tree apparently fell during a strong windstorm that struck the Idaho Falls area around midnight last night.
